Hi Imre,

as discussed by chat I herewith approve the installation of the security patches for changes

CH60096061 - Security Patch installation on FMS Linux PROD systems

CH60095310 - Security Patch installation on FMS Windows PROD systems

CH60095635 - Security Patch installation on FMS Windows PROD systems

CH60097340 - Security Patch installation on FMS Windows PROD systems

Our change management forgott to manage this changes. We need to have this changes installed so please prioritize, in case of overtime is required I approve too

Mit freundlichen Grüßen / Kind regards
